

Road work on Canterbury Road, Belmore from Monday 2 March

The NSW Government is carrying out this essential work as part of ongoing maintenance of the State road network.

Transport for NSW will be replacing underground cabling and in-road sensors at the intersection of Canterbury Road and Kingsgrove Road, Belmore.

To carry out the work, we will need to dig a trench across Canterbury Road to access the underground cabling. When the work is complete, we will restore the road surface to existing conditions.

Our maintenance work aims to:

- increase safety
- provide consistent driving conditions
- reduce maintenance costs.

Our work schedule

We will be on site for **six night shifts** between **Monday 2 March** and **Friday 28 March**, weather permitting.

Our work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.
